*Surrati is your integrated logistics solution partner of choice*

## *Advantages of Surrati Logistic Solutions*

Surrati provides your business with unparalleled access to market, world class infrastructure bonded and non- bonded solutions as well as dedicated investor support in a duty free and competitive operating environment.

We cater to all market verticals including trade, logistics and manufacturing. We endeavour to create value through the integration of our logistics zones and support services.

RSGT is located in the Kingdom's first bonded and re-export zone which provides a thriving integrated logistics hub on the coasts of the Red Sea. Surrati creates significant operational synergy in cargo handling under the close cooperation with RSGT and offers customers seamless integrated logistics services from the sea-side to the land side.

Red Sea Gateway Terminal –Redefining Standards

Saudi Arabia's latest state of the art container terminal redefining the efficiency of the container terminal and facilitating the growth of the Kingdom's economy.

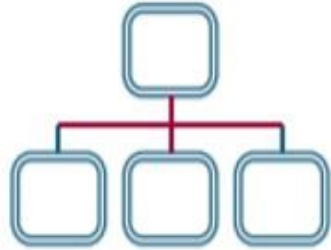

## INTERMODAL CONECTIVITY

- Provision for an Intermodal terminal to enable connectivity with the Saudi Land Bridge, providing direct rail link between Saudi Arabia's Eastern-Western regions.
- The rail link to be directly integrated with wharf-lines for fast container transfer.

## VALUE ADDED SERVICES

- E-SERVICES
- First terminal to offer 24 hours clearance
- OCR Smart Gate
- Mobile X-Ray Scanner
- Container Wight Verification

## OTHERS

- Advanced IT systems enable free information flow and paperless transactions in a time and cost-efficient manner.
- Optimization of external road network enables carrying increased traffic loads.

## CAPACITY

- Custom-built world-class container terminal with 2.5 million TEU capacity will increase Jeddah Islamic Ports annual through-put by 45%.
- The 450,000 sqm yard has storage capacity for 45,000 TEU's and 2,800 reefer plugs.

## CAPABILITY

- Berthing length 1,355m with a draught of up to 16.5m at quay wall.
- Fourteen Super Post-Panamax Cranes, capable of tandem handling two full 40-foot containers, or four 20-foot equivalent units, provide as out-reach of 24-rows across and lifting capacity of 85 MTS under the spreader - the best in the country.
- 300m wide, 4km dedicated navigation channel, which with a 16.5m draught enables receiving the new generation of 19,000+ TEU container ships.
